VOLUNTEER OPPORTUNITIES AT THE GROW MORE FOUNDATION

Are you passionate about global food safety and security? Excited and eager to communicate on genetic engineering and genome editing in plants, and the foods derived?

Grow More Foundation, Inc. is a New York 501(c)(3) non-profit dedicated to promoting transparency and awareness of biotechnological advancements in agriculture. Everyone deserves access to reliable and affordable food and our team is working with industry, regulatory bodies and the public to ensure global food supply and safety.

We are seeking future-minded individuals with an interest in science communication, policy and education. Volunteer opportunities including remote and senior positions, subject to background and previous experience. For further information: growmorefoundation.org/getinvolved.

If you would like to get involved, please email resume/CV and short cover letter to Mr. Jason Lemster info@growmorefoundation.org.

Review begins 15th October.
