Faculty Positions in Biotechnology Center in Southern Taiwan of Agricultural Biotechnology Research Center
Academia Sinica, Taiwan

Applications are invited for multiple tenure-track research fellow positions or specialists in Biotechnology Center in Southern Taiwan of Agricultural Biotechnology Research Center, Academia Sinica, Taiwan (AS-BCST). The successful candidates are expected to develop a rigorous research program in the thematic research fields of agricultural biotechnology, including but not limited to plant stress, plant nutrients, agromicrobiology, crop systems biology, translational agricultural research, and metabolic engineering.

The AS-BCST located in Tainan was established to cultivate a multidisciplinary approach to research, bringing constant innovation and techniques to the development of biotechnology industry that help in solving the problem of agriculture and foster the development of Bio-Agricultural industry in Taiwan. The current research programs focus on crop genomics & microbiota, molecular breeding for important agricultural traits, and adaptive strategy to environmental changes, systems biology & functional foods, and other mission-oriented basic researches.

We are particularly interested in applicants who are seeking a highly collaborative and innovative research environment to join us. For more information of AS-BCST and Academia Sinica, please visit our websites at http://www.as-bcst.sinica.edu.tw/en and https://www.sinica.edu.tw/en, respectively.

Applicants should submit the following materials online at http://abrc.sinica.edu.tw/info/app_out/jobs_2014/index2017.php: (a) Cover letter; (b) Curriculum vitae, including publications; (c) A summary of research accomplishments; (d) Specific and focused description of future research plans; (e) PDF copies of major publications; (f) Names and contact information for three referees. Candidates should arrange three (or more) letters of recommendation for direct submission by the referees to: abctainan@gate.sinica.edu.tw or by sending to regular postal mail address: Faculty Employment Review Committee of BCST, Agricultural Biotechnology Research Center, Academia Sinica, No. 59, Siraya Blvd., ShinShih Dist., Tainan 74145, Taiwan.

The vacancy application deadline is July 31st, 2019. Application submitted after the deadline will be considered for the next recruitment review.
