Postdoctoral Associates in Molecular Plant Biology at the Mediterranean Agronomic Institute of Chania (MAICh), Chania.

The Mediterranean Agronomic Institute of Chania and the department of Horticultural Genetics and Biotechnology, Crete, within the ARISTEIA II research program (number 4388) "The role of two prolyl 4 hydroxylases in tomato fruit development" implemented under the Operational Program "Education and Lifelong Learning" and funded by the European Union (European Social Fund - ESP) and national funds, invites interested to work with a fixed-term contract for 2 months (08/2015 -09/2015).

Specifically, the following 2 post-doc positions are available:

One (1) post-doctoral researcher
Qualifications and weighting factors:
- Degree related to the subject and degree grade (10)
- Excellent English language knowledge (10)
- PhD related to molecular biology and biotechnology (30)
- Advanced experience in biochemistry of plants (20)
- Proven experience in producing-analyzing transgenic plants and in biotechnology (20)
- Proven experience in analyzing gene expression (10)
- Experience in research in tomatoes (10)
- Experience in pull down assays and immunoprecipitation (20)
- Scientific publications related to the object (10)

One (1) Post-doctoral researcher
Qualifications and weighting factors:
- Degree related to the subject and degree grade (10)
- Excellent English language knowledge (10)
- PhD related to molecular biology and biotechnology (30)
- Advanced experience in plant genetics (40)
- Experience in research in tomatoes (30)
- Experience in Y2H screening (20)
- Scientific publications related to the subject (10)

Applications should be sent electronically to Dr. Panagiotis Kalaitzis (panagiot@maich.gr, tel 28210-35530) until 25/07/15. Applications beyond this date are rejected.

Complaints will be accepted within ten (10) days of notification of the practical choice.

Information: Dr. Panagiotis Kalaitzis, email panagiot@maich.gr, tel 0030 2821035530

Candidates should send their CV and application to the following address: Mediterranean Agronomic Institute of Chania, Alsyllo Agrokipiou, P.O. Box 85, Gr- 73100 or to the electronic address info@maich.gr until 25/07/15.

Any objections will be accepted within 10 days of the announcement of the results.

The Director of MAICH

Dr. G. Baourakis
